OPEN ENROLLMENT IS FROM OCTOBER 19 - NOVEMBER 5

If you want to change any benefit selections for 2022, complete enrollment by the deadline

Open Enrollment is your opportunity to make changes to your medical, dental, vision, life and other benefits for the 2022 calendar year.

Take advantage of the following resources to make the best decisions for you and your family:

- **See what's NEW!** for our 2022 benefits programs.
- **Learn about next year's benefits** using the Open Enrollment Decision Guide (now available in Spanish and Vietnamese), AskAlex, Virtual Irish Health, and more.
- **Attend a Virtual Information Session** to get a head start on understanding the 2022 benefit offerings.
- **Attend an Enrollment Assistance Session** to receive assistance with enrolling in your benefits.

VIRTUAL IRISH HEALTH BENEFITS FAIR

For more information, visit
hr.nd.edu/well-being-culture/irish-health/

Irish Health is a 24/7 virtual experience from October 19 - November 5, providing you with:

- Information - from our benefit program vendors and campus partners
- Accessibility - log on when your schedule permits, any time of the day or night, for the entire Open Enrollment period
- Engagement - live and on-demand educational sessions will be available
- Family participation - spouses and other family members are welcome to join (using the employee's netID email address)
- Live vendor chats October 19 – 20.

Starting October 19, visit https://bit.ly/3k2Z6TN to register using your netID email address.
