Other Important Information

1. Reporting a new address and/or telephone number

*Important Note:* To maintain valid immigration status, United States law requires non-U.S. citizens to report a change of U.S. residential address to USCIS within 10 days of moving.

**J-1**
Individuals in J-1 status must report address changes to Notre Dame (See instructions below). The new address will automatically be reported to USCIS via an upload to SEVIS by Notre Dame.

**H1-B, U.S. Permanent Resident, Other Immigration Status**
Individuals in these statuses must report address changes to both Notre Dame (See instructions below) and also directly to USCIS. Go to [http://www.uscis.gov/ar-11](http://www.uscis.gov/ar-11). You will need to update your address online or submit the completed form to USCIS within 10 days of moving to the new address.

**Reporting address change to Notre Dame**

a. Login at insideND using your netID and password.

b. Click on the ‘My Resources’ tab.

c. On the left side of the screen you will see ‘Employee Personal Information’. Click (+) next to ‘Your Contact Information.’ Next click on “Update Address(es) and Phone(s)”.

d. A new window will open. If you have previously provided information, your current Primary Address (where you live while at Notre Dame) and phone number will be listed at the bottom of the page.

e. To update information, click on the ‘Current’ link next to the address or the ‘Primary’ link next to the phone number.

f. Make the necessary updates and click the ‘Submit’ button.

2. What to do if you plan to leave and re-enter the United States.

**J-1**
J-1 visa holders require a travel authorization signature on their DS-2019 form prior to departing the US for a temporary trip abroad. Also, it may be necessary to apply for a new J visa while you are abroad if the J visa in your passport will expire prior to returning to the US. Request travel authorization signature and discuss your visa situation with an ISSA staff member several weeks prior to departure. If you have any questions please contact ISSA at Jscholar@nd.edu or 574-631-3825.

**H-1B and other immigration status**
You must have a valid H-1B visa affixed in your passport in order to return to the U.S. in H-1B status. If your existing H-1B visa will expire prior to your planned return to the U.S., you will need to apply for a new H-1B visa at a U.S. Consulate abroad prior to returning to the U.S. You should also be sure to verify that your passport is still valid. If you have questions about this please contact the Office of the General Counsel 574-631-6411.

**U.S. Permanent Residents**
You will need to present a valid passport and a valid U.S. Permanent Residency card to return to the U.S. If you have questions about this please contact the Office of the General Counsel 574-631-6411.
3. **Participation in Conferences/Providing Lectures**

If you are invited to participate in a conference or to provide a lecture and an honorarium will be paid and/or expenses will be reimbursed, please contact the Office of the General Counsel (**faculty**) or the Office for Postdoctoral Scholars (**non-faculty**) prior to attending. If you are in J-1 status and an honorarium is offered and/or expenses will be reimbursed, you will need to have Notre Dame write a letter to the other institution giving permission for the payment and/or reimbursement IN ADVANCE of the event. If you are in H-1B status, the federal regulations do not permit honorarium payments for such events. You may only receive reimbursement of legitimate business expenses related to your participation in the event.
