INDIVIDUAL COUNSELING

INDIVIDUAL COUNSELING SESSIONS AT NO ADDITIONAL COST TO YOU

You can discuss your personal financial situation with an experienced TIAA-CREF Financial Consultant on a confidential basis. They are available to discuss how to help you achieve your financial goals by investing in financial solutions such as mutual funds, brokerage, life insurance and annuities.

A detailed evaluation tells you everything you need to know and do.

Our individual counseling session will help you answer these questions:

- Are you setting realistic goals for key life events and retirement?
- Can you better balance your spending priorities to help you save more for your financial goals?
- What investment mix and strategy is best for you to increase your portfolio's potential, including protecting against cost-of-living increases?
- What retirement income options best fit your situation?
