BENEFIT PAYMENT

Your **Initial Benefit** provides a lump-sum payment upon the first diagnosis of a Covered Condition. Your plan pays a Recurrence Benefit² for the following Covered Conditions: Heart Attack, Stroke, Coronary Artery Bypass Graft, Full Benefit Cancer and Partial Benefit Cancer. A Recurrence Benefit is only available if an Initial Benefit has been paid for the Covered Condition. There is a Benefit Suspension Period between Recurrences. Initial Benefits and Recurrence Benefits will be paid until the Total Benefit Amount has been reached.

The maximum amount that you can receive through your Critical Illness Insurance plan is called the **Total Benefit** and is 3 times the amount of your Initial Benefit. This means that you can receive multiple Initial Benefit and Recurrence Benefit payments until you reach the maximum of 300% or \$15,000.

Please refer to the table below for the percentage benefit amount for each Covered Condition.

Covered Conditions	Initial Benefit	Recurrence Benefit
