

DID YOU KNOW...?

You can get extra help for your infant when transitioning back to work.

Child Care. SOLVED.

Your many University of Notre Dame benefits include all the solutions you need to care for your family after you return from leave.

Rely on high-quality, affordable back-up care for your growing family where and when you need it — with both center-based and in-home care options. Our trained care consultants do all the work. Call our 24/7 contact center or visit online and all the arrangements for care will be made for you.

Use your benefit to:

- Receive extra help at home for you or your spouse/partner following delivery
- Get extra care for your infant or older children
- Find nannies and sitters for occasional and full-time care
- Help get into a routine as you transition back to work
- Get exclusive tuition discounts at participating child care centers
