After selecting your club please create your online credentials and confirm Guest enrollment. You are now enrolled and will receive a confirmation email. Please disregard the part in the email referring to stopping into the membership office. That is for individuals who join membership.

Now that you have created your guest account, please use the link [https://beacon.health/ndscreening](https://beacon.health/ndscreening) to finalize your reservation. Once your reservation has been made you will receive a confirmation email with all the details included.

If you want to check on your reservation you may go to the home screen and select the Member Services button and continue to Reservation Summary.
