

Position Classification Change

Non-Exempt to Exempt

This is a summary of important pay and benefit information resulting from a change in position classification from exempt to non-exempt.

Pay

- Exempt employees are paid an annualized salary and are exempt from overtime pay in accordance with the Fair Labor Standards Act.

Pay Frequency

- Exempt employees are paid semi-monthly. Payments are deposited on the 15th day and the last day of each month.
- In the event a regularly scheduled payday falls on a weekend or holiday, checks are issued on the last work day before the regularly scheduled payday. Additional information on various University pay cycles may be obtained from Payroll Services at 574-631-7575 or by visiting the [Payroll website](http://controller.nd.edu) at <http://controller.nd.edu>.

Retirement Plan

- Non-exempt employees hired prior to 7/1/2016 are eligible to participate in the University's Employee Pension Plan.
- Non-exempt employees hired on or after 7/1/2016, or rehired/transferred on or after 1/1/2018 are eligible to participate in the University of Notre Dame 403(b) Retirement Plan upon meeting the eligibility requirement. Eligible employees are required to contribute 5% of their base salary through payroll deduction. The University contributes 10% of base salary.
- If a non-exempt employee was participating in the Pension Plan, these benefits are frozen/suspended upon transfer to an exempt position. If the employee is not already vested, future years of service will count towards vesting for the pension plan.
