Pet Insurance

What is Pet Insurance?
Pet Insurance can help your pet get the best veterinary care available when they need it by reducing the financial burden of unexpected medical costs due to illness or injuries. Plus, preventative wellness options could help you stay ahead of any potential issues altogether.

Why Pet Insurance?

One in three pets needs unexpected veterinary care every year.¹

The cost of veterinary care has more than doubled in the past decade.²

Veterinary medicine is advancing with more specialists and treatment options available.

Every six seconds a pet parent is handed a bill for more than $3,000.³
