Moving forward your credit card will be billed monthly, but always 15 days prior to the start of your next subscription month. How do activity *PointsPlus*[®] values work?

When you log enough physical activity in the Activity Tracker in the Plan Manager, you'll automatically be credited with activity *PointsPlus*[®] values you've earned. Your earned activity *PointsPlus*[®] values can be swapped for food *PointsPlus*[®] values – and that's a big perk of being physically active: you can eat more food and still lose weight!

You can swap activity *PointsPlus*[®] values on the day you earned them, or on another day during your weight-tracking week. See your Plan Manager Settings for these options.

If you select the weekly swapping option, you can also choose whether any extra *PointsPlus*[®] values you use in excess of your Target on any given day will come from your activity *PointsPlus*[®] values first, or your weekly *PointsPlus*[®] Allowance. The *PointsPlus*[®] Tracker will automatically swap *PointsPlus*[®] for you, however you decide to use them.

What are Filling Foods?

Filling Foods are satisfying choices you can rely on to help you stay fuller longer. Focusing on these foods can make a dramatic difference in your feelings of satisfaction and your ability to resist temptation when it strikes so that you can lose weight and keep it off.

Are member materials available in any language other than English in Weight Watchers meetings?

Yes. Member materials are available in the meeting room in Spanish, upon request.

What happens if a Spanish-speaking associate calls Weight Watchers? How are they able to help the caller?

Weight Watchers toll-free number does have Spanish-speaking representatives. If one is not available at the time of the call, the call will be transferred to voicemail where a message is taken. A Spanish-speaking representative will return the call as soon as possible during business hours.

Is Weight Watchers an allowable expense to be paid from a Flexible Spending Account (FSA) or Health Savings Account (HSA)?

Pursuant to Notre Dame policies and IRS regulations, Weight Watchers may be a reimbursable expense for people who have been advised by their doctor that they are obese and need to lose weight provided certain conditions are met. You need a doctor's letter that 1) states your diagnosis of obesity and an obesity-related disease such as high blood pressure, that would be improved with weight loss and 2) states the doctor's recommendation that you lose weight. You also need a record of your expenses, such as paid invoices, receipts, or your Membership Book that is stamped with your attendance and payments. For reimbursement through an FSA, you must submit a doctor's letter or medical necessity form provided by the claims payer and proof of payments for treatment with your claim. For HSA, you do not need to submit any documentation; however, you should save these documents with your tax records in case you are audited by the IRS. You may claim reimbursement for the purchase price MINUS any subsidy you receive from Notre Dame. Go to www.irs.gov to learn more, or ask your tax advisor for guidance. You can also find helpful information at www.obesity.org.
